

Teacher Appreciation Idea!

Are you always searching at the last minute for the perfect teacher gift—a gift you know the teacher doesn't need? LDACNY has the perfect solution for you!

We have set up a program that allows you to make a donation to the agency, in the honored teacher's name. This is how it works....

You make a contribution to one of our programs in the teacher's name. Your child's teacher would receive a letter from the agency, informing them of the gift. The teacher's name would be recognized in the next LDACNY newsletter and they receive a one year membership to LDACNY. This membership offers them discounts on trainings and conferences we offer, as well as our quarterly newsletter.

Below is a list of programs you may wish to designate for your donation:

The LDACNY General fund

SAIL (Summer Adventures in Learning)

LDACNY Conferences—Conferences are offered to educators and parents and address timely and current issues in the field of learning disabilities.

LDACNY Educational Consulting Services which assists parents of children with learning disabilities and ADHD understand their child's disability and advocate appropriately.
