Dear Friend of LDACNY,

The Learning Disabilities Association of Central New York is holding our 3rd annual Links For Learning event on June 12, 2017. The event will be held at Beaver Meadows Golf Course in Phoenix, NY.

We will be holding a raffle for the event and would greatly appreciate it if you were able to make an in-kind donation to this event.

The Learning Disabilities Association serves about 300 children and adults with learning difficulties in the Central New York area each year. Some of our services include ADHD coaching, summer learning programs, community habilitation, educational consulting for parents and we provide help to adults who are seeking employment.

Your raffle item donation will help us raise necessary funds to support the individuals we serve.

Last year we had almost 90 golfers and volunteers in attendance, and are anticipating an even bigger crowd this year. We will acknowledge your donation at the event.

Thank you!

Sincerely,

Amie Zwecker
Marketing and Development Manager
